MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Final Results of the FY06 Military Construction, Army (MCA) Project Review Board (PRB), March 2003, Fort Belvoir, VA

1. Reference memorandum, DAIM-FD, subject: Follow-up to FY06 Military Construction, Army (MCA) Project Review Board (PRB), March 2003, Fort Belvoir, VA.
2. Major Commands and the Headquarters, Installation Management Agency (IMA) briefed Revitalization projects to the Construction Requirements Review Committee (CRR) at subject PRB. The CRR members scored each project based upon the presentations and assessed urgency of need. The CRR score, combined with other elements of the Military Construction Project Prioritization System Model, yielded a rank order of projects that was provided to Army G3 for review and approval. The Army G3 has approved the attached list of Revitalization projects (Encl 1).
3. In addition, Army G3 approved the prioritized list of Focused Facility Strategy projects at enclosure 2. Both lists will be used to update the Future Years Defense Program, however, the program amounts exceed funding currently available and are subject to change.
4. This memorandum will be posted to the ACSIM home page (<http://www.hqda.army.mil/acsimweb/homepage.shtml>) under Facilities and Housing, Current Information.
5. My point of contact is Ms. Nadja Bowman, Construction Division, 703-692-9206,
